Glorified

The past can catch up to the future...Time passes by.....Reflection settles in.....
You put pen to paper.....I am not ashamed ...Writing helps to document your love.....
In all situations, I suddenly realiseYou are truly to be glorified... Glorified, in my fear
Glorified, in my tears
Glorified in my hopes
Glorified in my healing

PHENOMENAL WOMAN

Pretty women wonder where my secret lies
....when I start to tell them
They think I'm telling lies. It's in the reach of my arms
The span of my hips,
The stride of my step,
The curl of my lips.
I'm a woman
Phenomenally
Phenomenal woman,
That's me.
